Why Choose Clever Hydro?

- 70% more stable than traditional laminate floors.
- Delivers a floor that will out perform an others in your kitchen, bathrooms, laundries and all living areas.
- Scratch and UV resistant surface layer for long lasting wear.
- Embossed In Register finish for a real timber look.
- Easy Installation with 4 sided drop end click system.
- Superior anti-scratch surface for both home, office & shops
- Easy to clean and maintain. Do not use steam mops.
- The real timber feel under foot compared to Hybrid Floors.

96 hour water protection*

The appearance and performance of Clever Hydro Floors is not affected by exposure to water for up to 96hrs.

*Sustained exposure to water may damage boards and cause subfloor mould and mildew to grow. This is not due to failure of the product and is not covered by the product warranty. Clever Choice provides care and maintenance guides for our Hydro products. Product not designed for cleaning with steam mops.

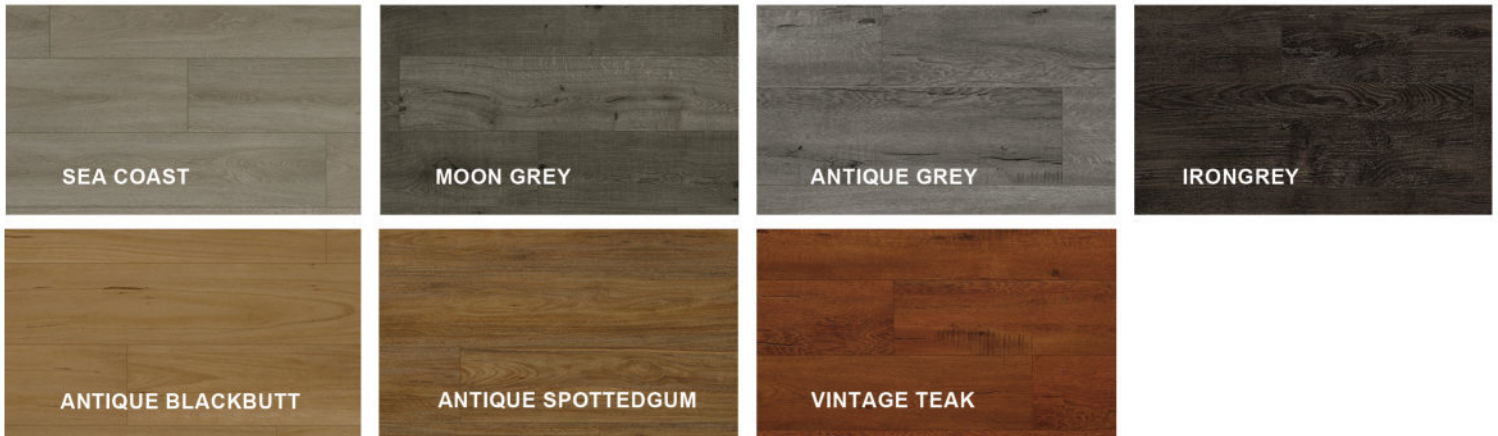

Full warranty terms and conditions and care instructions are downloadable from our website and available from your place of purchase.

Stylish design and resilience using innovative technologies

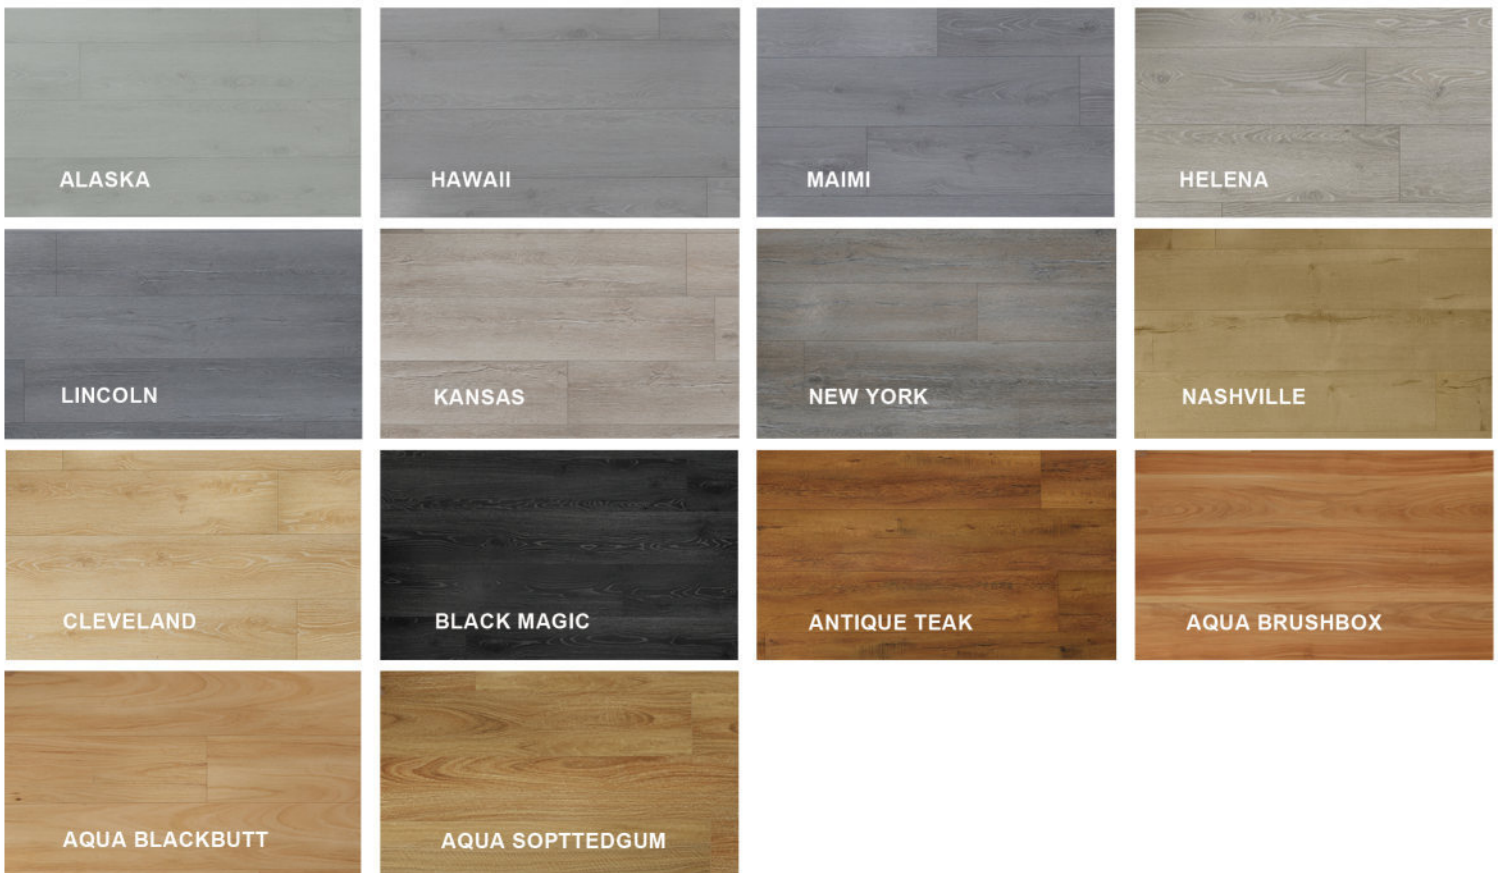

The Clever Choice range of Hydro Laminate Floors continues our commitment to supply innovative, high quality, value for money floor coverings to the Australian Market. At the heart of Clever Hydro is an evolutionary core engineered for superior durability and water resistance against spills. A hard wearing, stain resistant surface, combined with fashionable timber decors and sizes, means that Clever Hydro laminate offers, extra water protection for peace of mind for everyday living.

A full range of colour matched trims and stairnoses are available for a seamless finish
